

NAUTICAL CO-OP of ORIENTAL

NCO

Mission Statement

To create a platform for the Neuse Sailing Association (NSA), Oriental Dinghy Club (ODC), Sailing Club of Oriental (SCOO) and other related organizations to help support, organize and conduct activities that strengthen the sail and power boating community of Oriental and Pamlico County, strengthening the attraction to sailors and boaters located outside of Pamlico County.

Our vision is NOT a merger of the existing clubs but to combine their strengths and talents to support the above Mission Statement.

On Saturday, July 14th from 4PM to 6PM there will be a combined Social of NSA, ODC and SCOO at the Sea Harbour Yacht Club sponsored by NCO. This event will be BYOB and please bring an appetizer to share, lawn chairs, and thoughts to share for this umbrella organization. We look forward to a good turnout from each club! Thanks and please contact us if you have questions.
